

Dear Fourth Graders,

Congratulations!! After a year of working hard in third grade, you've made it!! You are officially fourth graders! We are looking forward to a fun, exciting, and educational year with you. We hope you are too!

Below you will find a list of supplies for 4th grade. Please make an effort to have everything on the first day of school so that we can organize and label them together.

- **2 marble notebooks in any color but black and white (no spiral notebooks)**
- **1 folder (for homework)**
- **2 packs of pencils (between 24-48 pencils)**
- **2 multipack of sticky notes (3x3)**
- **1 large eraser or 1 pack of eraser caps**
- **1 pack of highlighters (pack of 2 is sufficient)**
- **1 pack of colored pencils (24 pack only)**
- **1 small soft pencil case (to hold colored pencils, not hard pencil boxes)**
- **3 packs of whiteboard markers (between 8-10 markers)**
- **1 disposable roll of scotch tape (see pic)**
- **1 pack of glue sticks (2-4 glue sticks)**
- *****Earbuds (no large headphones, this is important because we frequently use the chromebooks)**
- **Plastic baggies (any size) optional but greatly appreciated**
- **Disinfecting wipes - optional but greatly appreciated**
- **Box of tissues-optional but greatly appreciated**

Please do not over buy supplies. Save your \$\$\$, if it's not on the list, don't bring it in! Please don't send in anything extra because we provide baskets for the desks. We have limited space in desks and have extra supplies in the classroom if needed. We look forward to meeting you in September!

The Fourth Grade Teachers
